1997 COMPOSITE RETURN INSTRUCTIONS

Qualified nonresident individuals who are members of general and limited partnerships, professional athletic teams, limited liability partnerships, limited liability companies, New Jersey electing S corporations, estates and trusts may participate in a composite return. Any composite return which is filed on behalf of 25 or more participants **must** be filed on diskette. General diskette specifications can be found beginning on page 6.

Only individuals are eligible to file as part of a composite return. To qualify for participation in a composite return the nonresident must be a member of one of the specified entities and satisfy all of the following conditions:

1. The individual was a nonresident for the entire taxable year;
2. The individual did not maintain a permanent place of abode in New Jersey at any time during the taxable year;
3. The individual was not a fiscal year filer;
4. The individual did not have income derived from or connected with New Jersey sources other than the income reported on the composite return;
5. The individual waives the right to claim any New Jersey personal exemption, credit or deduction and agrees to have the tax calculated directly on the individual's income reported on the composite return at the highest tax rate in effect for single taxpayers for the tax year; and
6. The individual elects to be included in a composite return by completing and delivering to the filing entity a Form NJ-1080-E (Election to be Included in a Composite Return) prior to the filing of the composite return by the entity.

An individual may participate in other New Jersey gross income tax composite returns, providing that the requirements of subsections 1 through 6 above, are satisfied. Once a nonresident elects to participate in a composite return the election is binding on the individual's heirs, representatives, assigns, successors, executors and administrators and constitutes an express consent to personal jurisdiction in New Jersey for New Jersey personal income tax purposes.

ELECTION TO PARTICIPATE

Every participating member must make the election to be part of the composite return in writing each year by filing Form NJ-1080-E with the filing entity. The elections must be maintained in the filing entity's files. When filed, the composite return must include a list of the members who are participating, as well as a list of those who have not elected, or are not qualified, to participate in the composite return. The list must include each member's name, address and Federal Identification Number.

PERMISSION TO FILE NOT REQUIRED

In previous years, the Division accepted composite returns only when written permission had been requested by the filing entity and a copy of the permission letter was attached to the composite return when filed. **Written permission to file a composite return is not required.** Any entity which is eligible to file a composite return may now do so without first putting the Division on notice.

WHEN TO FILE

Returns for calendar year 1997 are due April 15, 1998. No fiscal composite returns will be accepted.

POSTMARK DATE

All New Jersey income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return.

EXTENSION OF TIME TO FILE

An extension of time to file will be granted on a composite basis only. The request for an extension of time to file must be made on Form NJ-630, on or before the original due date of the return. The request must be made under the filing entity's Federal Identification Number. A four month extension of time to file the NJ-1080-C will be granted if at least 80% of the actual tax liability is paid in the form of estimated or other payments by the original due date of the return.

If the filing entity has requested and been granted a four month extension, it may apply for an additional two month extension before the four month extension expires. The request for the additional two month extension must be made on Form NJ-630.

Taxpayers who file Form NJ-630 will not receive an approved copy. The Division will only send notification if the request for extension is denied.

If the requirements for extension are not satisfied, or if the return is not filed by the extended due date, the extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalty and Interest Charges" on page 2.

WHERE TO FILE

Mail Form NJ-1080-C to:
State of New Jersey
Division of Taxation
PO Box 188
Trenton, New Jersey 08646-0188.

ESTIMATED TAX

If the filing entity has filed a composite return in the previous years and the amount estimated to be the total income tax liability for the composite return for the current tax year exceeds \$100, the filing entity must file a declaration of estimated tax and make quarterly estimated tax payments using Form NJ-1040-ES. Instructions for computing the estimated tax and making the payments are included with that form. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment will result in interest charges on the underpayment.

UNDERPAYMENT OF ESTIMATED TAX

If the filing entity failed to make the required estimated tax payments as described above, the entity must complete Form NJ-2210, Underpayment of Estimated Tax by Individuals. Completing Form NJ-2210 will determine if interest on the underpayment is due and if so, will calculate the amount. If you complete and enclose Form NJ-2210 with your return, check the box below Line 18.

NOTE: Credit will not be given on the composite return for estimated tax payments made by any of the qualified electing nonresident participants.

ACCOUNTING METHOD

The accounting method used for Form NJ-1080-C must be the same as the accounting method used by the participants for Federal income tax purposes.

ACCOUNTING PERIODS

The accounting period for a nonresident composite return is the calendar year.

FORMS AND ASSISTANCE

Forms are available by calling 1-800-323-4400 or by writing to the New Jersey Division of Taxation, 50 Barrack Street, PO Box 269, Trenton, N.J. 08646-0269, Attention: Forms Distribution Center. <http://www.state.nj.us/treasury/taxation/>

Assistance is available by calling the New Jersey Tax Hotline at 609-588-2200.

Any composite return which is filed on behalf of 25 or more participants must be filed on diskette. A filing entity with less than 25 participants may also file on diskette, but is not required to do so. See page 6 for general diskette specifications.

ROUNDING OFF WHOLE DOLLARS

The money items on the return and schedules may be shown in whole dollars. This means that any amount under 50 cents may be eliminated and amounts of 50 cents or more should be increased to the next higher dollar.

AMENDED RETURNS

An amended Form NJ-1080-C must be filed if an amended Federal return is filed for any filing entity, or if the Internal Revenue Service changes or corrects any item of income, gain or loss previously reported. The amended New Jersey return shall be filed within 90 days of the date the amended Federal form is filed or, in the case of a federal Audit, within 90 days after the final determination of the change. To amend the original composite return, use a blank Form NJ-1080-C for the tax year that is to be amended and write "Amended" across the top. Complete the form by entering the correct information and attach an explanation of the changes.

An amended composite return should also be filed if the filing entity issues amended or corrected information returns (e.g. Form W-2, Federal Schedule K-1, etc.) which affect Total New Jersey Taxable Income (Line 17).

PENALTIES AND INTEREST CHARGES

Penalty and interest should be included with the payment of any tax due.

The Division may impose the following:

Late filing penalty: 5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. Also, a penalty of \$100 per month for each month the return is late may be imposed.

Late payment penalty: 5% of the outstanding tax balance may be imposed.

Interest: 3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties and interest remaining due (unpaid) will become part of the balance on which interest is charged.

SIGNATURES

Form NJ-1080-C is not considered to be a return unless it is signed and dated. If the filing entity is a general partnership, a limited partnership, or a limited liability partnership, the return must be signed by a general partner or the partner designated for tax matters. If the filing entity is an electing New Jersey S Corporation the return must be signed by an officer of the corporation; if a limited liability company, by an authorized member; if an estate, by the executor or administrator; if a trust, by a trustee. If a receiver, trustee in bankruptcy, or assignee controls the organization's property or business, that person must sign the return. If the filing entity is a professional athletic team the return must be signed as required above depending on the type of entity.

Anyone who prepares a composite return for a fee must sign the return as a "Paid Preparer" and must enter his or her social security number. The company or corporation name and Federal Employer Identification Number, must be included, if applicable. The preparer required to sign the composite return must sign it by hand; **signature stamps or labels are not acceptable.** If someone prepares the return at no charge, the paid preparer's area need not be completed. A tax preparer who fails to sign the return or provide a correct tax identification number may incur a \$25 penalty for each omission.

PRIVACY ACT NOTIFICATION

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Social security numbers are used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible.

FEDERAL/STATE TAX AGREEMENT

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

FRAUDULENT RETURN

Any person who willfully fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty not to exceed \$7,500 or imprisonment for a term between three years and five years, or both.

GUBERNATORIAL ELECTIONS FUND

The Gubernatorial Elections Fund, financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 44 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For

more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at (609) 292-8700 or write to the Commission at PO Box 185, Trenton, New Jersey 08625-0185.

Participation in the \$1 income tax check-off protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. **Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.**

The New Jersey Division of Taxation will reject and return unprocessed any diskette not properly identified internally by NJ1080DR. A diskette must not contain any file or data set other than NJ1080DR. Do not include an extension on the file name.
- (h) If a diskette was used previously for other data, reformat it before using it for a NJ-1080-C Participant/Nonparticipant Directory submittal.

1. Any entity which files a composite return on behalf of its qualified nonresident individual members shall be referred to as the "filing entity".

(b) A qualified nonresident individual is one who elects to participate in the composite return and satisfies all of the following conditions:

1. The individual was a nonresident for the entire taxable year;
2. The individual did not maintain a permanent place of abode in New Jersey at any time during the taxable year;
3. The individual was not a fiscal year filer;
4. The individual did not have income derived from or connected with New Jersey sources other than the income reported on this or any other composite return;

5. The individual waives the right to claim any New Jersey personal exemption, credit or deduction and agrees to have the tax calculated directly on such income at the highest tax rate in effect for single taxpayers for the tax year; and

6. The individual elects to be included in a composite return by completing and delivering to the filing entity a Form NJ-1080-E (Election to be included in a Composite Return), or a form substantially similar thereto, prior to the filing of the composite return by the filing entity.

i. Such election must be made annually;
ii. Such election shall be binding on the participant's heirs, representatives, assigns, successors, executors and administrators;
iii. Such election shall be an express consent to personal jurisdiction in New Jersey for New Jersey personal income tax purposes; and
iv. A qualified electing nonresident participant may not revoke an election to be included in the composite return or make an election to be included in the composite return after April 15 following the close of the taxable year.

(c) Each filing entity must retain the completed and signed election forms (Form NJ-1080-E) submitted by the qualified electing nonresident participants. Such forms must be made available to the Division of Taxation upon request.

(d) An individual may participate in more than one New Jersey gross income tax composite return, providing the requirements of subsections (b)1 through (b)6, above, are satisfied.

(e) Nonresident individuals who are not eligible to participate in the composite return because they do not satisfy all of the requirements of subsection (b), or who do not wish to participate in the composite return, must file a Form NJ-1040NR reflecting their income from all sources, as well as from New Jersey sources.

(f) The composite return shall be due on the fifteenth day of the fourth month following the close of the taxable year of the qualified electing nonresident participants. An extension of time to file will be granted on a composite basis only and must be requested in accordance with N.J.A.C. 18:35-1.18. The request must be made on Form NJ-630 and must be made under the filing entity's federal identification number.

Credit will not be given on the composite return for individual estimated tax payments made by, or on behalf of, any of the qualified electing nonresident participants.

(h) The tax due shall be calculated using the highest gross income tax rate in effect for single taxpayers for the tax year for which the composite return is being filed, without benefit of personal exemptions, deductions or credits.

(i) The filing of a composite return shall be considered to be a group of separate returns meeting the individual filing requirements for each qualified electing nonresident participant as imposed by the Gross Income Tax Act. N.J.S.A 54A:1-1 et seq.

1. Each qualified electing nonresident participant is personally liable for the timely filing of returns and payment of such individual's liability, including, but not limited to, any assessment resulting from an audit of the composite return.

2. Each qualified electing nonresident participant adopts the statements contained in the filed composite return relating to the filing entity and to him or herself (but not as to statements made on the composite return relating solely to other participants), and shall take, under penalties of perjury, full responsibility for the truth of the statements contained in the filed composite return.

Each qualified electing nonresident participant adopts, as his or her own, any actions of the filing entity that may affect the composite return, including, but not limited to, a waiver of the statute of limitations for assessment or any decision to accept the results of an audit by the Division.

4. The Director retains the right to require the filing of an individual New Jersey Nonresident Gross Income Tax Return (Form NJ-1040NR) by any individual who participates in a composite return when the Director deems that the filing of a separate individual return is necessary to acquire complete facts and information or to enforce the provisions of the Gross Income Tax Act.

1. Name and address;
2. Social Security Number;
3. The participant's share of income derived from or connected with New Jersey sources;

1. The participant's Form NJ-1040NR must include a schedule indicating the name of the filing entity(s) for which the participant was included in a composite return, and showing the amount of income included on the participant's behalf for each composite return and the tax paid thereon.
