Dear Thomas Dunn:

On July 1, 2019, the Department of Health (Department) posted a Request for Applications (RFA) to operate up to twenty-four Alternative Treatment Centers (ATCs), with up to eight in each of the Northern and Central Regions, up to seven in the Southern Region, and one “at-large” for which the region would be determined at the time of award. The RFA was for up to fifteen dispensaries, five cultivation sites, and four Vertically Integrated ATCs (dispensing, cultivation and manufacturing).

Applications for a cultivation endorsement were due to the Department no later than August 22, 2019 at 3:00 PM. Applicants had the choice of whether to submit the application online and only submit signed cover-sheets and checks in person, or to submit the whole application in paper form.

Kittz LLC failed to submit the application by the deadline.

Therefore, Kittz LLC is not being considered.

Because the application is not being reviewed, the Department shall return the checks for the application fees (\$2,000 per endorsement).

Please contact the Division of Medicinal Marijuana, Department of Health at 609-292-0424 or by emailing mmpquestions@doh.nj.gov.

You have the right to appeal this decision to the Superior Court of New Jersey, Appellate Division, within 45 days of the date of this letter in accordance with the Rules Governing the Courts of the State of New Jersey. All appeals should be directed to:
