

YOU CAN HELP FEED 500 FAMILIES IN 2 HOURS

With food insecurity projected to dramatically increase across the state as a result of the pandemic, the **Community FoodBank of New Jersey (CFBNJ)** urgently needs volunteers to pack **Emergency Meal Kits, assemble Family Packs, and more** to aid in maintaining the magnitude of its response.

Our warehouse in Hillside is 285,000 square feet (that's five football fields long!). **Social distancing is strictly observed during volunteer shifts**, temperatures are taken for all who enter the building, and masks, gloves, and hand sanitizer are provided.

Visit cfbnj.org/volunteer to register for a two-hour time-slot with your friends, family, club, sports team or faith group* and make a difference today for our New Jersey neighbors in need.

*All volunteers must be 14 or older (teens aged 14 and 15 must be accompanied by an adult) and sign a COVID-19 waiver.
