DISCLOSURE OF THE OPEN PUBLIC MEETINGS ACT

(A) When necessary, the Board shall adopt Resolution A to go into closed session to consider individuals' disability applications, which states:

In accordance with the provisions of the Open Public Meetings Act, N.J.S.A. 10:4-13, be it resolved that the Board of Trustees go into closed session for purposes of discussing matters pertaining to disability retirement which involves material involving personal medical and health records, data, reports and recommendations relating to specific individuals, pursuant to N.J.S.A. 10:4-12(3). Those matters are confidential unless expressly waived by the individual involved.

The actions taken during closed session relating to a disability retirement are anticipated to become available to the public immediately at the conclusion of the meeting and will be posted on the Division of Pensions and Benefits' website within a reasonable time; however, personal information pertaining to an individual shall be redacted from the minutes of such meeting and shall remain confidential until after such time as the Board determines that the need of confidentiality no longer exists under state and federal law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and the matters discussed can be disclosed.
